**EL PROYECTO DOMINICO-HAITIANO/THE DOMINICAN-HAITIAN PROJECT**

Grupo Quisqueyano and the Haitian Student Association at Columbia University

Present a film that traces the roots of international migrations to Hispaniola, and reveals how these groups have contributed to the multicultural richness and ethnic mixture of the Dominican Republic, including African descendants from the United States and Haitians. The film titled Dominican Identity and Migration to Hispaniola produced by Hostos Community College Director of Public Relations, Nestor Montilla.
